Karmapa in Dhagpo Möhra 2024

Information for Volunteers

We rejoice greatly that the 17th Gyalwa Karmapa is coming to Dhagpo Möhra again. For everyone to receive his profound teachings in the best conditions, help is very much needed, and volunteers are warmly invited to join us.

There are five important periods where you can offer your support:

1. From now onwards, in order to support the good functioning of the center:
Help is needed in the areas of: Guest service, kitchen, garden, skilled manual work, and other preparations.
2. From May 31 to June 2, for a cleaning week-end:
On this weekend, we want to clean the center thoroughly. At the same time, we will engage in the Dorje Sempa practice together.
3. From the end of May until the event weekend:
Volunteers who can stay in Möhra from the end of May up to and including 16.06.2024, are very welcome. Those who want to engage as team leaders can already take part in the weekly preparation meetings (in person or via zoom), every Wednesday at 7:30 pm.
4. During the event weekend from 14.06 to 16.06:
Whoever would like to help on the event weekend, whether in the center or in the hall, is also very welcome. Of course, all volunteers will be able to attend the teachings of Gyalwa Karmapa during the weekend.
5. After the event weekend, from 16.06 to 23.06:
Help for dismantling and cleaning up after the Karmapa's visit is extremely important and very much appreciated.

Conditions for volunteers

The price for food and lodging for volunteers who help at least 7h per day, is 20€ per day. We offer volunteers who stay at least one week a discount price of 10€ per day.
